# **Italian Summer Course 2011**

## **"Intensive Language and Culture"**

05<sup>th</sup> – 23<sup>rd</sup> July 2011

The International Relations Office of the University of Udine in cooperation with the Linguistic Centre of the University of Udine (CLAV), and with the support of the "Ente Friuli nel Mondo" and of the "Ente Regionale per il Diritto e le opportunità allo Studio Universitario di Udine (ERDISU)", organizes the "Italian Summer Course 2011" that will take place at the University of Udine, from the 05<sup>th</sup> – 23<sup>rd</sup> July 2011.

### **LEVELS AND TEACHING OBJECTIVES**

In order to assess their current level of Italian, students will take a placement test at the beginning of the course. This will consist in a written and oral test. At the end of the course a frequency and proficiency certificate will be issued to those students who have shown regular attendance and progress.

#### **Elementary**

At the end of this course students will be able to understand frequently used expressions related to areas of most immediate relevance (e.g. very basic personal and family information), familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type. They produce short texts using simple terms aspects of their background, immediate environment and matters in areas of immediate need.

#### **Intermediate**

At the end of this course students will be able to deal with everyday social situations and describe events using their past, present and future experiences.

They will be able to understand clear and short texts on cultural topics.

They produce simple connected text on topics which are familiar or of personal interest and clear formal text.

#### **Advanced**

At the end of this course students will be able to understand everyday language in any interpersonal and social situation, real and audio-visual texts.

They will be able to express their feelings and explain a viewpoint, differentiating finer shades of meaning and using well-structured, detailed text on complex subjects.
